Please select the bubble(s) that best answers each question:

1. What grade do you teach?

Kindergarten

1st

2nd

3rd

4th

5th

6th

7th & 8th - Language Arts

7th & 8th Math

Title I

Non-teaching assignment

Special Day Class

Resource Specialist

ELD

Other teaching assignment

None of the Above

(please specify)

2. If you don't teach K-5 ELA, skip this question.

I use the Houghton Mifflin ELA program: (1.1)

I don't use the Houghton Mifflin ELA Program

Less than once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

3. If you don't teach K-5 ELA, skip this question.

I use the Houghton Mifflin ELA program ancillary materials designed for Universal Access: (1.1)

I don't use Houghton Mifflin

Less than once a week

1-2 times a week

3-4 times a week

Daily

4. If you don't teach 6-8 ELA, skip this question.

I use the Holt ELA program: (1.1)

I don't use the Holt ELA program

Less than once a week

1-2 times a week

3-4 times a week

Daily

5. If you don't teach 6-8 ELA, skip this question.

I use the Holt ELA program ancillary materials designed for universal access: (1.1)

I don't use the Holt ELA program

Less than once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

6. If you don't teach reading intervention skip this question.

I use SRA Reach for students in grades 4-8 who are two or more years below grade level (intervention students): (1.3)

I don't use the SRA Reach program to teach reading intervention

Less than once a week

1-2 times a week

3-4 times a week

Daily

7. If you don't teach K-5 math, skip this question.

I use the Harcourt math program: (1.4)

I don't use the Harcourt math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

8. If you don't teach K-5 math, skip this question.

I use the Harcourt math program ancillary materials designed for universal access: (1.4)

I don't use the Harcourt math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

9. If you don't teach 6-8 math or grade 8 general math, skip this question.

I use the Holt math program: (1.4)

I don't use the Holt math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

10. If you don't teach 6-8 math or grade 8 general math, skip this question.

I use the Holt math program ancillary materials designed for universal access: (1.4)

I don't teach 6-8

I don't use the Holt math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

11. If you don't teach Algebra readiness, skip this question.

I teach Algebra readiness: (1.6)

Less than once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

12. If you don't algebra readiness, skip this question.

I use the algebra readiness program ancillary materials designed for universal access: (1.4)

I don't use the algebra readiness math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

13. If you don't teach 8th grade general math, skip this question.

I use the McDougal Little math program: (1.4)

I don't use the McDougal Little math program

Less than Once a week

1-2 times a week

3-4 times a week

Daily

14. If you don't teach a K-5 ELD class, skip this question.

I use Avenues for ELD instruction: (1.2)

I don't use the K-5 Avenues program to teach ELD

Less than once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

15. If you don't teach a 6-8 ELD class, skip this question.

I use High Point for grade 6-8 ELD instruction: (1.2)

I don't use the High Point program to teach ELD

Less than once a week

1-2 times a week

3-4 times a week

Daily

16. If you don't teach a 6-8 ELD class, skip this question.

I provide my English learner students the following additional time for ELD.
(2.3)

less than 1/2 hour

1/2 hour

30-45 minutes

45+ minutes

none at all

17. If you don't teach grades 4-7 math intervention, skip this question.

I use the _____ program to teach math intervention: (1.5)

I don't use _____

Less than once a week

1-2 times a week

3-4 times a week

Daily

K-8 Revised APS 10.09

18. If you don't teach K-5 ELA, skip this question.

On the days that I teach with Houghton Mifflin ELA materials, I spend_____ uninterrupted time (2.1)

Less than 1/2 hour

1/2 hour

1 hour

1 1/2 hours

2 hours

2 1/2 hours

3+ hours

19. If you don't teach K-5 ELA, skip this question.

On the days that I use the Houghton Mifflin ELA program ancillary materials designed for Universal Access to instruct strategic students, I spend: (2.2)

less than 1/2 hour

1/2 hour

30-45 minutes

45+ minutes

20. If you don't teach 6-8 ELA, skip this question.

On the days that I teach with Holt ELA materials, I spend_____ uninterrupted time (2.1)

Less than 1 period

1 period

2 periods

3 periods

K-8 Revised APS 10.09

21. If you don't teach 6-8 ELA, skip this question.

On the days that I use the Holt ELA program ancillary materials designed for Universal Access to instruct strategic students, I spend: (2.2)

less than 1 period

1 period

22. If you don't teach ELA, skip this question.

I use additional resources for instructing English Language Arts (choose one that you use with greatest frequency): (2.1)

Check all that apply

Reading Mastery

Corrective Reading

Novels

None

Other (please specify in the text box below)

23. If you don't teach ELA, skip this question.

When I use those additional materials to instruct ELA, I spend: (2.1)

I don't use other materials

less than 1/2 hour

1/2 hour

30-45 minutes

45+ minutes

K-8 Revised APS 10.09

24. If you don't teach SRA Reach classes, skip this question.

On the days that I use the SRA Reach intensive intervention materials, I spend (uninterrupted time): (2.4)

1 hour or 1 period

2 hours or 2 periods

3 hours or 3 periods

25. If you don't teach K-5 math, skip this question.

On the days that I use the Harcourt Brace math materials, I spend (uninterrupted time): (2.5)

less than 1/2 hour

1/2 hour

45 minutes

1 hour

1 1/2 hours

2 hours

26. If you don't teach K-5 math, skip this question.

On the days that I use the Harcourt Brace math program ancillary materials designed for universal access materials to instruct strategic students, I spend: (2.6)

less than 1/2 hour

1/2 hour

45 minutes

1 hour

1 1/2 hours

2 hours

K-8 Revised APS 10.09

27. If you don't teach 6-8 math, skip this question.

On the days that I use the Holt math materials, I spend (uninterrupted time): (2.5)

Less than 1 period

1 period

2 periods

3 periods

28. If you don't teach 6-8 math, skip this question.

On the days that I use the Holt math program ancillary materials designed for universal access to instruct strategic students, I spend (uninterrupted time): (2.5)

Less than 1 period

1 period

2 periods

3 periods

29. If you don't teach grade 8 general math, skip this question.

On the days that I use the McDougal Little math materials, I spend: (2.5)

Less than 1 period

1 period

2 periods

3 periods

K-8 Revised APS 10.09

30. If you don't teach grade 4-7 math intervention, skip this question.

I provide the following additional instructional time for students identified for intervention in mathematics. (2.7)

less than 15 minutes

15 minutes

30 minutes

45 minutes

60 minutes or 1 period

31. If you don't teach algebra readiness, skip this question.

On the days that I teach algebra readiness, I spend: (2.7)

Less than 1 period

1 period

32. The school/district has provided me with professional development/training about the implementation and monitoring of standards based IEP's for my students with IEP's. (5.2 & 5.3)

Yes

No

33. The school/district has provided me with training on RtI including support on providing tiered intervention (5.2 & 5.3)

Yes

No

K-8 Revised APS 10.09

34. If you don't teach ELA, skip this question.

Our school/district has an assessment/monitoring system that provides OUR GRADE LEVEL/DEPARTMENT with common ELA assessments administered at least every 6-8 weeks that come from (7.1):

Yes

No

Other (please describe those sources)

35. If you don't teach ELA, skip this question.

I use ELA Benchmark Assessments to: (7.1)

a. place students in core programs

b. place students in intensive intervention programs

c. monitor on-going student progress

d. predict performance on CSTs

e. collect summative data

If you use more than one please list all you use

36. If you don't teach ELA, skip this question.

We are provided with the results of ELA assessments: (7.1)

a. in a timely way and in a format that is easy to read

b. in a timely way, but in a format that is not easy to read

c. not timely, but easy to read

d. not timely, and not easy to read

e. we do not get results

g. all of the above

Please list the any other way you recieve data

K-8 Revised APS 10.09

37. If you don't teach ELA, skip this question.

The results of our ELA benchmark assessments are disaggregated to provide us with information about the performance of: (7.1)

- a. our EL students
- b. our special education students
- c. both our EL and special education students
- d. we do not get disaggregated data for either of these student population

If NA, please specify

38. If you don't teach math, skip this question.

Our school/district has an assessment/monitoring system that provides OUR GRADE LEVEL/DEPARTMENT with common MATH assessments administered at least every 6-8 WEEKS that come from(7.2)

- Yes
- No

39. If you don't teach math, skip this question.

I use Math benchmark assessments to: (7.2)

- a. place students in core programs
- b. place students in intensive intervention programs
- c. monitor student growth
- d. predict performance on CSTs
- e. collect summative data

If you use more than one please list all you use

K-8 Revised APS 10.09

40. If you don't teach math, skip this question.

We are provided with the results of math assessments: (7.1)

a. in a timely way and in a format that is easy to read

b. in a timely way, but in a format that is not easy to read

c. not timely, but easy to read

d. not timely, and not easy to read

e. we do not get results

g. all of the above
