

ECO Entry Eight Checklist

ENTRY EIGHT is complete when you have:

- completed Entry Eight - Reflection on a Lesson Previously Taught
- been observed by your Support Provider while teaching and observation form is complete
- included three pieces of (Profiled) student work generated during the lesson with completed Student Work Cover Sheets
- completed and included the Pink copy of the Entry Six/Seven/Eight Student Profiles with detailed information/scores
- identified **highlighted** language on the Continuum of Practice (COP) that places your practice on the COP and **added comments** which explain a possible next step for each element
- discussed the implications of the information and answered the questions in the Reflective Conversation Guide

ECO Additional Pieces:

- complete Planning & Designing Learning Experiences Lesson Plan
- identified **highlighted** language on the Continuum of Practice (COP) that places your practice on the Planning & Designing Learning Experiences COP and **added comments** which explain a possible next step for each element

Progress: (a place for personal notes on this entry, "To Do" lists and/or due dates)
