

Technology Evidence Cover Sheet

IDENTIFY (*What?*)

1. What is the evidence?

2. Check all that apply:

- evidence of using technology to assess
- evidence of using technology to plan
- evidence of using technology to deliver instruction
- evidence of implementing strategies to maximize student learning and awareness of cyber safety
- evidence of using technology to communicate

RUMINATE (*So what?*)

1. Why is the evidence significant?

EXTRAPOLATE (*Now what?*)

1. How does this piece of evidence support student learning?
