### *Stanislaus County Leadership Academy Students to Participate in Non-Profit / Community Day*

Stanislaus County Leadership Academy meets on Friday, October 7, 2016 for Non-Profit/Community Day. Students will meet and hear from some of the clients served by Howard Training Center, tour the downtown Salvation Army's Emergency Shelter, and learn about all of the services the Salvation Army provides. Board member Kenni Friedman also plans to speak to the class about what it takes to be a community leader. Students will serve lunch to the homeless and the less fortunate before traveling to the Stanislaus Community Hospice Logistics Center. Hospice staff plans to share what Hospice does, and students will help sort clothes for their resell store and make "ugly" Christmas sweaters that will be sold in all of the resale stores this holiday season.
