Stanislaus Partners In Education (SPIE) Celebrates 25 Years at Annual Recognition Luncheon Honoring Local Businesses

Stanislaus Partners in Education (SPIE) will recognize business and industry partners at their **Annual Recognition Luncheon** on Thursday, October 27, 2016 from 11:15 – 1:00 p.m. at the Health Education and Conference Center: McHenry Village (1700 McHenry Avenue, Modesto). SPIE, a non-profit organization representing business, labor, government and education, enlists the resources of the community to maximize the employment potential of young people and adults in Stanislaus County.

This year SPIE is celebrating its 25th year! The program will feature a brief recap of accomplishments and special Presidential Awards will be presented. The highlight of the event is always schools recognizing their business partner/s, and sharing their successes working with teachers and students.
