

# Stanislaus County Academic Decathlon General Rules

## Purpose

The purpose of the Academic Decathlon is to develop and provide academic competitions, curriculum, and assessment to promote learning and academic excellence through teamwork among students of all achievement levels. An AcaDec team is made up of nine students from the same high school, three “A” students (Honors), three “B” students (Scholastic), and three “C” or below students (Varsity). A dedicated teacher from the high school serves as the Coach, and in this intense atmosphere of academic preparation and training, the students learn and build life-changing skills such as high self-assurance and esteem, the important responsibility and value of teamwork and cooperation, and the benefit of clear and concise communication, both written and verbal. The AcaDec is an arduous contest that challenges the student participants in the following ten events:

- |            |                   |                            |                |               |
|------------|-------------------|----------------------------|----------------|---------------|
| 1. Art     | 2. Economics      | 3. Language and Literature | 4. Mathematics | 5. Music      |
| 6. Science | 7. Social Science | 8. Essay                   | 9. Speech      | 10. Interview |

\*Super Quiz Oral Relay

\*The Super Quiz will be an oral relay only and will include 14 questions (in multiple-choice format) with two questions from six different subject areas: art, economics, language and literature, music, science, and social science. **The Super Quiz is a stand-alone event and scores are not counted in overall team score.** The Super Quiz Relay team total will be based on the top two Honor, top two Scholastic, and top two Varsity decathlete’s scores during the relay.

## Scoring

Only the top two decathlete’s overall scores in each category (Honors, Varsity, and Scholastic) for the ten events listed above will be included in the team’s overall score for a total possible score of 60,000 points per team (1,000 points for each event per person).

## The Team

Every public and private high school in the county may participate in the Academic Decathlon. A team consists of nine full-time students from the 9<sup>th</sup> through 12<sup>th</sup> grades of the same high school. A full-time student is defined as a student who is enrolled in four or more class periods per day. Each team is composed of up to three students in each category with the following grade point average definitions:

- 1) Honor: **3.80 – 4.00** GPA      2) Scholastic: **3.20 – 3.79** GPA      3) Varsity: **3.19 – and below** GPA

Contestants may compete in a higher category than their own grade point average but not in a lower category. A school may field a team and remain competitive with as few as two students in each category. Each team member competes in all ten events of the Decathlon and is eligible for individual medals in all ten events. All teams must register online at [www.scoestudentevents.org](http://www.scoestudentevents.org) by the deadline indicated and must pay the appropriate registration fee. A school may include an infinite number of students classified as alternate team members with a registration fee of \$10 per student. Alternate team members compete all in one category and receive individual awards only. Alternate team members compete in all events listed above except for speech and interview.

### **Verification of Eligibility & Required Paperwork**

Each competing high school will complete and submit the following documents on or before the indicated deadline.

1. Assignment of Codes/Team List (one per team)
2. Participant Transcripts (copy) – highlight all acceptable classes reported on the GPA Worksheet
3. GPA Computation Worksheet (one per Scholastic and Varsity decathlete)
4. Student Participation and Conduct Agreement (one per decathlete)
5. Team Volunteer Registration Form
6. Team Photo

Additions to the *Assignment of Codes/Team List* cannot be made after the form's due date. Changes to the Team List (alternate team member to regular team member or drops) can be made up until the essays are returned. No changes will be made to the *Team List* after the Essay Test.

### **GPA Computation**

The "focus semesters" for GPA computation go back two years prior to the present grade level of the contestant for tenth through twelfth graders. If the contestant is a twelfth grader in September of the competition year, then the semesters that are used for GPA computation are all of tenth grade, all of eleventh grade, and the summer sessions between tenth and eleventh grades and between eleventh and twelfth grades. GPA calculations for ninth-grade students include only their grades earned while in the eighth grade and in the summer session between eighth and ninth grade.

Grades for courses shall be used in GPA computations if the courses focus more than 50% of the time on understanding ideas, concepts, and theories of a specific discipline and the assessments are objective in nature. Refer to the current "Acceptable Courses" document available online. Contact coordinator for any questions regarding acceptable courses.

### **The Competition**

**Essay Test:** The competition begins with the online Essay Test proctored by a school administrator at a pre-determined location and time. There will be a "practice" session scheduled prior to "official" test. Essays will not be returned per State rule.

**Speech and Interview Tests:** The speech and interview tests are administered prior to the event date. All teams must provide volunteer speech and interview judges. The regular team of nine decathletes participates in the speech and interview tests to qualify for awards. Decathletes must give a speech and interview, not just show up.

**Test Arena:** On event day (first Saturday in February) all decathletes take the seven subject-area tests as a group. Coaches proctor the subject-area tests. Teams must follow the state policy for calculators. If a proctor finds a contestant involved in any unauthorized communication or copying from another contestant, the proctor must report the incident to the competition manager. The decision of the competition manager will be final and irrevocable. Contestants are responsible for being in the test arena at the start of testing. If a contestant is tardy, he/she will not be allowed to make up time lost. If a contestant must leave the test arena for any reason, he/she must first secure the permission of the proctor. If a participant must leave during the middle of a test to use the restroom, he/she forfeits the time remaining for that test.

**Super Quiz Relay:** This portion of the event is open to the public. Each team must provide a minimum of one volunteer to proctor the Super Quiz. Teams generally ask a school administrator to proctor. The regular team of nine decathletes participates in the Super Quiz Relay. Super Quiz scores are not carried over to "overall" team points.

**Awards:** To qualify for awards, decathletes must participate in all events (essay is the only exception). Alternate team members participate in all events (except speech and interview). Awards are distributed as follows:

#### **Alternate Team Members:**

- Receives 1<sup>st</sup> -5<sup>th</sup> place medals in all events except Speech and Interview
- Highest Scoring Alternate Team Member

**Regular Team Members:** 1<sup>st</sup> -5<sup>th</sup> place medals in all 10 events

- Overall highest scoring Decathlete per category (Honors, Varsity, Scholastic)
- Super Quiz Champion Team Trophy & nine individual awards
- First Place Club Trophy (schools without a class) & nine individual awards
- Third Place Team Plaque
- Second Place Team Plaque
- First Place Team Champions Perpetual Trophy, Plaque, Coach Plaque, and nine individual awards

**Alternate or Regular Team Members:** Highest Scoring Decathlete per team

### **Test Scores**

Team scores will be given to the team coach immediately following the awards ceremony. Coaches will have 15 minutes to challenge a score. After the 15-minute period, all scores are final.

### **Conduct**

Appropriate conduct on the part of both student participants and coaches is expected. Incidents of misconduct will be referred to the competition manager and may result in a student, or team, being disqualified from participation. This includes calling out answers during Super Quiz.
