

2022 Stanislaus County Elementary Science Olympiad Student Participation Team List

Please type all student participants below. School principal and coach must sign the completed team list. Submit this form **at registration on the day of the event.**

Note: Individual school teams consist of up to 18 students from grades 4-6. A maximum of eight (8) sixth grade students is allowed (students from a feeder middle school may participate). Third grade students in a grades 3-4 combination class may participate as a 4th grader.

Event Device Authentication Statement: We, the undersigned, attest to the authenticity of all devices being used at the Elementary Science Olympiad event. All devices to be used in the 2022 Science Olympiad competitions have been newly constructed by one or more team members listed below. The devices have NOT been used in past Science Olympiad events.
