Verification of Shop and Tool Safety

In order to insure a safe and successful competitive event in the above listed competitions, the chairpersons must be certain that each student competitor is aware of shop and tool safety for any of the competitions listed.

Please read and sign the following disclaimer:

To the best of my knowledge the below named student has passed an instructor-administered safety test and has sufficiently displayed safe working habits while using shop tools.

Please print:

STUDENT NAME: _____

INSTRUCTOR NAME *(please print)*: _____

INSTRUCTOR SIGNATURE: _____

DATE: _____
