

# 2021-22

## New CAASPP Coordinator Training

Hosted *Virtually* by Stanislaus County Office of Education

**December 6-7, 2021**

The New CAASPP Coordinator Training is a voluntary training session designed for LEA CAASPP coordinators who are new to their role. Coordinators who are in their first couple of years in this role may find this content a helpful refresher. This training will explore the final preparations for administration of the following summative assessments:

- Smarter Balanced Summative Assessments for ELA and mathematics
- California Science Test
- California Alternate Assessments for ELA, mathematics, and science

This virtual training is a continuation of the New CAASPP Coordinator trainings offered throughout the year. To review previous 2020–21 New Coordinator training materials, please view the “Training” tab on [www.caaspp.org](http://www.caaspp.org).
