

Initial ELPAC

PART 2, SPEAKING

This workshop is an extension of the ELPAC Initial training and is designed to support new assessors or coordinators who haven't attended the Summative ELPAC training.

Because the Initial training is focused only on scoring the Writing section, new assessors will need this additional day focused on scoring the Speaking section.

If you are new to ELPAC or just want a chance to brush up on Speaking scoring, this workshop is for you. Be sure to bring your materials from the Initial training, as no additional materials will be provided.

Important:

Participants must also attend ELPAC Initial Training to receive the training materials. No additional materials will be provided for this workshop.
