# Equipping Educators

## to Address Trauma and Mental Health through a Multi-Tiered System of Supports

**March 19 & 20, 2019**

Martin Petersen Event Center in Modesto, CA  
\$175 registration fee includes meals and materials

Stanislaus County Office of Education welcomes educators at all levels to join us at a two-day conference on *Equipping Educators to Address Trauma and Mental Health through a Multi-Tiered System of Supports*. Attendees will leave with an enhanced understanding of using a MTSS to support student behavioral, mental health, and academic needs. A combination of system building and skill building conference sessions will support educators in meeting short and long-term student outcome goals.
