Probation Period: A six-month probation period will be observed for each successful applicant. At the conclusion of six months, the employee will be permanently appointed to the position or released by the District.

Benefits: The District will contribute up to \$833.33 per month, \$10,000.00 per year, to help full-time employees purchase coverage for medical, dental, vision, and/or life insurance. If the employee opts not to utilize such coverage, the contribution can be taken (paid back) in their monthly check.

General: Each employee shall work at least three-fourths of the number of assigned work days to receive the annual step increase for the following year. Step increases are effective on July 1, the beginning of the fiscal school year.
